

Who We Are

Family Services Center is a non-profit human services agency that has provided quality behavioral health counseling and family support since 1962. Our purpose is to enrich the lives of individuals and families so they may enjoy a more satisfying personal and professional life, thus strengthening the community we serve.

Our Mission

Family Services Center is a community based organization whose mission is to strengthen and support individuals and families through comprehensive, prevention-based services designed to increase self-sufficiency.

Affordable Fees

Family Services Center has a long history of providing affordable services. We accept major credit cards, cash, and third party contractual arrangements. Fees are based on annual family income using a flexible sliding scale.

Counseling

Family Services Center therapists are highly qualified professionals with advanced training in counseling, psychology, or social work. Our counseling services include, but are not limited to:

- *Individuals*
- *Couples*
- *Marriage and Family*
- *Life transitions*
- *Substance abuse*
- *Depression*
- *Stress/ anxiety*
- *Survivors of trauma*

Special services are provided for those who have lost a loved one to homicide, including vehicular homicide.

Conflict Resolution Programs

Counselors are available at Family Services Center to help those struggling with conflict. Our Conflict Resolution Program includes: domestic violence intervention, anger management for both adults and adolescents, couples mediation, an educational seminar for divorcing parents, pre-trial intervention, and an alcohol and drug awareness program.

Family Strengthening Programs

Managing our own lives can be difficult at times, but being responsible for the lives of others presents additional challenges. At Family Services Center, we provide positive encouragement for families through parenting training, family counseling, supervised visitation and monitored exchanges for non-custodial parents and their children, an in-school family strengthening program, and individual education to develop nurturing father skills.

Self Sufficiency & Financial Programs

Family Services Center's self-sufficiency and financial services are designed to help individuals become more self reliant. Services offered include:

- *Housing Resource Center*
 - *Rental counseling*
 - *Homebuyer training and counseling*
 - *Homelessness prevention & case management*
- *Money management and budget counseling*
- *Free income tax preparation and filing*
- *Low income car ownership program for job transportation*

Workplace Solutions

In order to control the stress that can accompany a job, Family Services Center offers executive coaching, management consultation, and employee assistance programs.

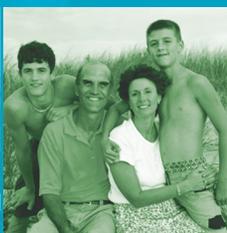

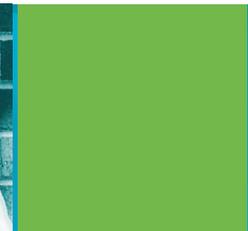

Housing Services

Family Services Center provides a continuum of affordable housing designed to prevent homelessness and attain independence.

Living in Family Transition (LIFT) housing offers affordable, short term housing to qualified low income families facing homelessness with case management being an integral component.

Other housing services are available to help low income families and first time home buyers obtain affordable housing.
